CHINA HR NETWORK

YOUR PARTICIPATION

As a Chinese student, graduate, young or experienced professional with technical, scientific and economical backgrounds you are invited:

- => Participate on the 27th or 28th April 2018 (one day) at the CHINESE TALENT DAYS
- => Registration and participation is free of charge.
- => Attendance is limited. We recommend an early registration.

Register now! <https://campus-china.de/ctd/>

- => Apply for Top Jobs in China or Germany
- => Meet with Top Employers: We expect between 50 to 60 companies offering jobs for internship, master or Ph.D. thesis, entry level positions or experienced positions during CHINESE TALENT DAYS
- => Participate on relevant presentations, discussions and workshops

STEP BY STEP

- => Provide data related to your person, your education, your working experience and your job interests.
- => **To upload a curriculum vitae (CV) is essential.** If you do not have one yet use our **template**.
- => You can search for interesting job offers or potential employers and apply for interviews.
- => We will inform you about relevant job offers by email.
- => If you receive an invitation to interviews during the CHINESE TALENT DAYS reply within two days.
- => **Print your entrance ticket** and bring it with you. You will find a link to print the ticket in your account.
<https://campus-china.de/account/> **The ticket is not transferable and only valid for whom the ticket is issued.**
- => Beside the entrance ticket we advise you to bring your application documents.
- => On the day of your participation please come first to the reception at the entrance to the CHINESE TALENT DAYS. A booklet with information about the program, participating employers and job offers will be given to you.
- => During the CHINESE TALENT DAYS you visit the information stand of the companies you are interested in.
- => Furthermore you are invited to participate for free on presentations and workshops.

FEEDBACK

"Thank you very much for the organization of this excellent job fair. I have received two job offers and I am very happy."

Yi Zhou

"I have been through several promising interviews and finally got a great job. I appreciate your work, many thanks to all of you."

Ming Jing
